

President's Message:

May is a month when we remember, we celebrate and we believe.

We remember our mothers who gave us life. They lead us by their example and taught us to be the best we can be. We also remember our military men and women who sacrificed their life plans to defend our country and world.

We celebrate because we have our freedom and a future.

We believe in peace, hope and continuation of loving families and friends.

A big thank you to the department managers and administrative staff who came out to thank the volunteers during Volunteer Appreciation Week.

Jean Joseph, Auxiliary President

Volunteers are returning

A small number of active volunteers who have non-patient facing duties have been called back to volunteer by their departments. Active volunteer, Pat Dunn, assists the staff in the Center for Nursing Excellence with miscellaneous clerical duties. Welcome back Pat!

National Volunteer Week

National Volunteer Week was April 18-24. **Active** volunteers were invited to drive by the Belleville hospital to pick up an appreciation gift on Thursday, April 20. Unfortunately the wind and rain turned to snow which kept many **active** volunteers from venturing out. If you are an **active** volunteer and are in the area of the Belleville hospital, give the office a call at 257-5545 and we would be happy to bring up your gift to the circle at Entrance D.
